

# Re-create the Butterfly

## Ideas

- Re-assemble the butterfly and glue onto a piece of paper.
- Glue magnetic tape on these body parts for children to create their own butterflies on the magnet board.
- Decorate the butterflies using different colours. Make up a number of 'sets' for the magnet board.

## Learning Outcomes

- Butterfly body parts and names.
- Development of fine motor skills.
- Butterfly wing shape and number (there are four / whā).
